## 1. Annex to the terms

Rate table for exceeding the parking period booked online in advance. Additional fee for "overtime-parking," valid until revoked / as of: September 1, 2026

# Overtime-parking

The rate calculation following the booked parking period is based on the official hourly rate for the respective parking garage until the daily rate is reached in accordance with the overtime parking rate table. Daily rates are calculated in 24-hour intervals, not in calendar days.
